*(Events cannot go ahead if My Vaccine Pass requirements are not followed).*

NAPA Auto Parts Dragway will be running events in Orange and Green with the following conditions:

2. Scanning into the venue using the NZ COVID tracer app at entry point, or by physically signing in
3. In open spaces, face coverings are encouraged but not compulsory
4. In enclosed areas and close contact spaces such as the race entry booth, face coverings are compulsory
5. One metre physical distancing required in enclosed spaces only

Proof of vaccination is required for all persons entering the venue including, but not limited to Racers, Crews, Spectators, Track Staff and Contractors. To get your My Vaccine Pass, please visit <https://mycovidrecord.health.nz/>.

This framework may change without notice. Visit <https://www.business.govt.nz/covid-19/covid-19-protection-framework/events/> for up-to-date information to government and Ministry of Health regulations.

Following a lacklustre Spring spent in lockdown, **Meremere Dragway Inc.** operating as **NAPA Auto Parts Dragway** are dedicated to bringing you drag racing this summer. We will abide by all MOH and government mandates pertaining to events, in order to deliver the Summers fix of drag racing.

Please be kind to the crew, volunteers and each other, as we all work through this new and hopefully temporary process.

See you track side.
